

## Come on

(Music & Lyrics M. Van Laar-Blow Till Midnight Music Verlag)

E B A  
She's the harbour  
E B A  
In the storm  
E B A  
Yeah she's the storm  
E B A B E  
In the harbour  
B A B E  
She'll always be a mystery to me  
B A B  
To blind to be  
E B  
She'll tell you she's a mystic  
A B  
To drive you away  
E  
She'll tell you she was wrong  
B A B  
And then beg you to stay  
C#m B  
And I've been wandering  
C#m B  
Yeah I've been wandering around so

## CHORUS :

E B A B  
Come on, come on, come on, lay your love down  
E B A B  
Come on, come on, come on, what a revelation  
E B A B E B A B  
Come on, come on, come on, lay your love down on me  
E B A B E  
On me

In the harmony of a heart beat  
Tappin the rythem with her toes  
She as hard as the steel under my fingers  
And as soft as arose  
She'll tell you she's a mystic  
To drive you away  
She'll tell you she was wrong  
And then beg you to stay  
And I've been wandering  
Yeah I've been wandering around so

## CHORUS :

And please don't make me wait  
By the time I get around to writing this  
The words will all have changed  
And I can see the light  
From your and your dreams  
And your words and your life  
I tell you you're a mystic  
Don't drive me away  
I tell you you were wrong if you beg me to stay  
And I've been wandering  
Yeah I've been wandering around so **X2**

## CHORUS :
